Dear customer,

In response to REACH and the potential presence of Substances of Very High Concern (SVHC) including Restrictions of Hazardous Substance (RoHS).

The intent of this letter is to clarify how B&B Specialties products are affected by the REACH "Restricted Substance List" and RoHS "Restrictions of Hazardous Substance". At present and as reported by our supply chain we do not expect/anticipate any Hazardous Substance of Very High Concern in a concentration above 0.1 % weight by weight (w/w) to be in our products or packaging supplied by B&B Specialties, Inc. / GS Aerospace. In addition, B&B Specialties, Inc. / GS Aerospace does not add to our product or packaging any of these substances.

This information is based on our current level of knowledge and availability of information. This information expresses only our intention. It does not constitute a binding obligation. The information is provided in good faith, no representation or warranties are made with regards to its completeness or accuracy and no liability will be accepted for damages of any nature whatsoever resulting from the use of our reliance on the information.
